Dear Supporters,

I am sorry to say, after more years than I care to remember, I feel I must step down and pass the reins to a younger pair of hands: I will not be standing for election as your councillor for Willesborough.

**Matt Baker**, a young enthusiastic local man, has been helping me for some time now with the casework you have brought to my attention. He will make an excellent champion for you as your new councillor. Matt has grown up in and lived in the area all his life – he knows the area very well.

**Adrian Gee-Turner**, our Lib Dem Chair of Ashford, will also be standing for election in Willesborough as this ward is a two councillor ward. Adrian has lived in Ashford for the last seven years and was previously a councillor for The London Borough of Hackney. Adrian was the lead on Business and Development while a councillor, as well as sitting on the Local Government Democracy Panel which became the new Local Government Act. So, he knows a thing or two about local government rules, regulations and administration.

Adrian was also the first Chair of Overview and Scrutiny anywhere in the country taking on maladministration in the Council and in Health Care provision in the Borough.

I feel both Adrian and Matt will make excellent councillors for you; I would be very proud for them to carry on with the work I have been doing for you on the Council.

**George Koowaree**

Elect a hardworking team for Willesborough North..

**Matthew BAKER**
