Leading the fight against the Conservatives' hard Brexit

Adrian Gee-Turner is leading the opposition here to the Conservatives' damaging hard Brexit plans, which will cost us all.

“ **The election on 8th June is your chance to change the country.**

A disastrous hard Brexit will hit people in the pocket across the country, with the poorest families hit hardest. We need to protect jobs by keeping Britain in the single market.

Liberal Democrats are leading the challenge to the Conservatives over their hard Brexit plans, which are already hitting us in the pocket.

The Lib Dems will also support pensioners by keeping the 'Triple Lock' which protects the value of state pensions. ”

£6 billion boost for the NHS

The NHS is in crisis. The Lib Dems will raise income tax by 1p to provide extra funds - £6 billion across the UK. In England this money will be ring-fenced to support front-line services in health, mental health and public health.

Here in Ashford, local campaigner Adrian Gee-Turner will be fighting for you - on Brexit, education and our health service.

The Lib Dems will give the NHS the extra funds it needs.

Investing in schools

Ashford's schools are facing cuts to the money they have to spend per pupil.

Under the Conservatives we will see per pupil spending fall 6.5% over the next three years across the country, according to the Institute for Fiscal Studies.

The Liberal Democrats have announced they will invest nearly £7bn more in schools and colleges over the next parliament.

This extra £7 billion of funding, which is fully funded, would ensure no school and no child loses out.

Adrian Gee-Turner says “This won't just affect our children's school years. It will impact on their entire lives. Every child deserves to go to a good school.”

Adrian Gee-Turner is a local businessman and a fellow of the Chartered Institute of Marketing.

ADRIAN GEE-TURNER: THE STRONG VOICE FOR US

Fighting against Hard Brexit
Liberal Democrats are the only party that has always fought for Britain's membership of the European Union, and that's why we are fighting for you to have your say on the final Brexit deal.

Standing up for the NHS
We know we need additional investment in health and care services as a matter of urgency. The Liberal Democrats would put mental health, on an equal footing with physical health.

Investing in our schools
Local schools are under threat from a Conservative Party that has stopped listening. The Liberal Democrats will invest in schools and colleges to protect per pupil funding.
